

POLAR PUSHER™

- Pushes snow and slush from wide areas; also pushes dirt, sand, debris, hay, etc.
- Can be used to chop up ice on driveways and sidewalks
- Blade is made of a long-lasting, non-stick UHMW material, which is water, wear, and impact resistant
- Durable polypropylene D-grip handle and bracket
- Safe to use on multiple surfaces, including delicate surface areas like decorative concrete, roofs and decks

UHMW Impact Resistant Blade

SNOWP24

Fiberglass D-Grip Handle

SNOWP48
