

# Bullet Cruiser™ Flooring Cutter

BT92-2012 | EDI 29953

**IDEAL SOLUTION FOR  
RIP CUTS ON  
WPC, SPC &  
RIGID CORE  
VINYL!**

## **NO NOISE. NO ELECTRICITY. NO DUST.**

- Safer and easier than a utility knife or table saw without the dust or shavings
- Dual rolling blades cut cleanly through wear layer allowing quick and clean snaps to size
- Quick-adjust fence and built-in ruler
- Lightweight, with carry handle for easy portability
- Built-in storage box to hold spare blades and other tools
- Open throat design enables end-cuts, notch cuts and cuts on square or rectangular format tiles wider than 12" (300mm)
- Built-in under-cut blade for fiberglass, jute fiber, foam backed vinyl plank, linoleum plank, and wood plastic composite flooring
- Carpet tile upgrade kit available (EDI 29951)

**BULLET TOOLS™**  
Cutting-Edge Solutions for Tradesmen
