

PRECISION TILE SPACERS

- Perfect for $\frac{1}{16}$ " (1.5 mm) joint tile installations on both walls and floors
- For use with all types of tile
- Offered in both + and T spacer styles
- Let application dry before removing
- Always grout after removing spacers

Spacers come in a convenient, resealable bag

EDI	Part#	Description	Size-in	Size-mm	Qty	Inner/Outer
33094	15TTS	Precision T Spacer	$\frac{1}{16}$	1.5	1000	1/4
33096	15TSX	Precision Tile Spacer	$\frac{1}{16}$	1.5	1000	1/4

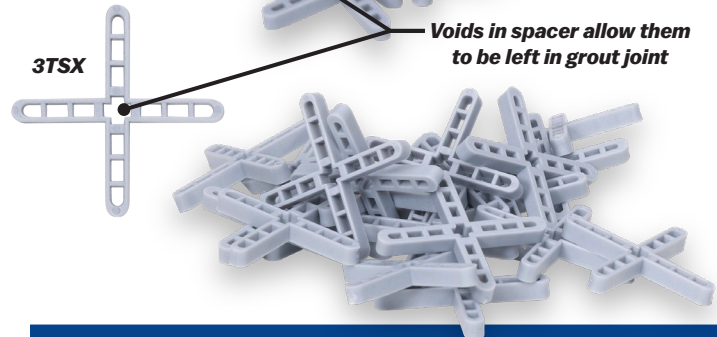

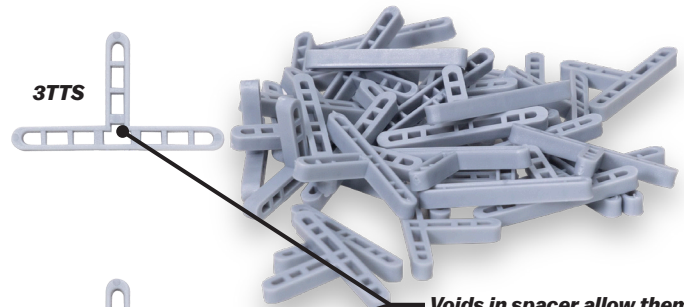

Precision Leave-In Tile Spacers

- Industry-approved leave-in tile spacers allow for earlier grouting, saving valuable time
- Voids in spacers allow them to stay in the joint and be grouted over
- For use with all types of tile with a $\frac{1}{8}$ " (3 mm) grout joint
- Offered in both + and T spacer styles

Spacers come in a convenient, resealable bag

EDI	Part#	Description	Size-in	Size-mm	Qty	Inner/Outer
33095	3TTS	Precision Leave-In T Spacer	$\frac{1}{8}$	3	1000	1/4
33097	3TSX	Precision Leave-In Tile Spacer	$\frac{1}{8}$	3	1000	1/4

Voids in spacer allow them to be left in grout joint
