

CONCRETE EDGER

- Designed to create a radius edge on a concrete slab to prevent chipping
- Both ends are curved for easy movement in either direction
- Durable carbon steel blade for lasting use
- Soft-grip durable polypropylene handle absorbs shock and reduces user fatigue

| EDI | Part# | Description | Size-in. | Size-mm | Inner/Outer |
|-------|---------|----------------|--------------------|----------------|-------------|
| 40296 | 085-063 | Concrete Edger | 6x3x $\frac{3}{8}$ | 152 x 76 x 9.5 | 1/6 |
