

RACATAC™

- Ergonomically designed kneeling/sitting creeper that allows you to roll while kneeling or sitting
- Alleviates physical strain for tradespeople
- Adjustable seat supports upper body weight and leaves feet free to control movement
- **01RACCS** and **01RAC3CS** allow you to work in a supported and leaning over position while sitting and kneeling on the RACATAC™
- **01RAC3CS** and **01RACCS** feature an Anti-Flip Clip to prevent the RACATAC™ from tipping forward
- Knee pads allow knees to rest freely
- Work in shorts without bulky knee pads
- 2 or 3" (51 or 76 mm) casters allow you to roll instead of bouncing around the jobsite on your knees
- Keeps you elevated off your workspace and above wet, dirty or dusty floors
- Work on 1 or 2 knees
