

BUCKY SCRAPE PRO™

**LESS MESS.
LESS WASTE.**

NO MORE CRUSTY BUCKETS

- Snaps securely onto 3–5 gallon plastic or metal buckets
- Prevents mortar buildup on bucket walls—no more crusty buckets
- Stainless steel scraping edge removes excess material and adhesive from your trowel
- Heavy-duty magnets securely hold your trowel when not in use
- Minimizes mess and material waste during flooring installations
- Lift tabs allow for quick and easy removal from the bucket rim

U.S. Patent Nos. US 10,960,439 B1
US 11,471,918 B2 & US 11,623,470 B2

**Fits securely onto
3-5 gallon buckets**

Magnets to hold trowel
