

RADIUS CORNER TROWELS

- Lightweight tool made from one piece of flexible stainless steel
- Radius-style corners reduce lines and marks commonly left by a square end corner trowel
- Resilient DuraSoft® handle with finger guard
- Used to embed tape and smooth out the final layer of mud on taped corners

25RD

Blade set at an 80° angle that flexes out to form a perfect 90° corner during use

23RD

Blade set at a 103° angle that flexes in to form a perfect 90° corner during use
