

PRO SKIM™

- Perfect for plaster rendering and smoothing drywall compound
- .3 mm stainless steel (INOX) blade provides a smooth finish and optimal blade flex
- Comfortable, non-slip contoured plastic handle
- Edge guard protects blade in transit and storage
- Use quick clamping bracket and extension handle to smooth ceilings and tall walls (sold separately)
- Preferred tool for skim coating a level 5 drywall finish
- Color may vary

Display contains:
 SKIM60 (x3)
 SKIM80 (x3)
 SKIM100 (x3)
 6 brackets
 8 handles
