

PLASTIC PAINTER'S MULTI-TOOL

Multi-use functionality which includes:

- Trim guide/scrapper/spreader
 - Trim guide gets into hard-to-reach areas and allows for a crisp cut line
 - Scrapper/spreader removes old texture and applies spackle or adhesive
- Paint Brush Comb
 - Removes excess paint or heavy build up from paint brush bristles
- Roller Cleaner
 - Removes excess paint from roller cover, saving paint and time during cleaning
- Paint Can Squeegee
 - Saves extra paint clinging to the inside wall of a paint can
- Won't rust or corrode
- Disposable, or can be easily cleaned and reused
