

WHITE LIGHTNING™

White Lightning™ Hand Floats

- White Lightning™ is self-lubricating and non-stick so tools glide over the surface of concrete without drag for faster, smoother floating
- Prepares surface for troweling
- Blade is lightweight, durable, and impact-resistant for long wear
- Chemical, corrosion and rust-resistant with low moisture absorption
- Concrete won't stick to blade for easy clean-up
- Rounded edges glide over concrete without gouging the surface
- DuraSoft® handle provides a soft feel that reduces fatigue
- Available in five sizes to suit your needs

WTLF20

WTLF12

EDI	Part#	Description	Size-in.	Size-mm	Inner/Outer
32614	WTLF12	White Lightning™ Hand Float - DuraSoft® Handle	12 x 3	305 x 76	6/6
