

WHITE LIGHTNING™ POWER TROWEL BLADES

Power Trowel Blades

- Eliminate the risk of leaving dark burnish marks on concrete and epoxy
- Low-friction, abrasion-resistant polymer combination blade provides a hard finish and is long lasting
- Blade life is comparable to steel blades
- For use with 24" to 48" walk-behind power trowel units only

Combination
PM6092W

**Low-friction,
abrasion-resistant
polymer material**

EDI	Part#	Description	Size-in	Size-mm	Machine Size	Inner/Outer
14957	PM6092W	White Lightning Combination Blade	8 X 14	203 X 356	34, 36	4/4
14958	PM6094W	White Lightning Combination Blade	8 X 18	203 X 457	44, 46, 48	4/4
33205	PM7414W	White Lightning Combination Blade	8 X 16	203 X 406	44	4/4
33206	PM7394W	White Lightning Combination Blade	5 X 9¼	127 X 235	24	4/4
33207	PM7364W	White Lightning Combination Blade	4¾ X 9	121 X 229	24	4/4

Steel-Reinforced Power Trowel Blades

- Eliminate the risk of leaving dark burnish marks on concrete and epoxy
- Low-friction, abrasion-resistant polymer blade with steel-reinforcement provides a hard finish and is long lasting
- Blade life is comparable to steel blades
- Steel-reinforcement allows for use with both walk-behind and ride-on power trowel units ranging from 30" to 60"
- Offered in both combo and finish blades styles

Combination
PM7372ELG

Finish
PM7371ELG

**Steel-reinforcement
allows for use with
ride-on power trowel units**

EDI	Part#	Description	Size-in	Size-mm	Machine Size	Inner/Outer
33195	PM6093ELG	White Lightning Steel-Reinforced Finish Blade	6 X 14	152 X 356	36	4/4
